PIGASUS

THE FLYING PIG

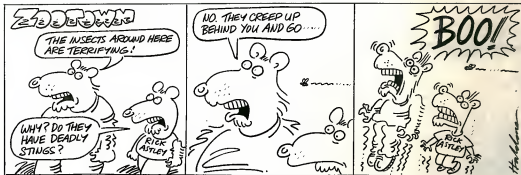

The truth behind the legend,
The story rarely told,
Of the flying porker, Pigasus,
A hog both brave and bold.

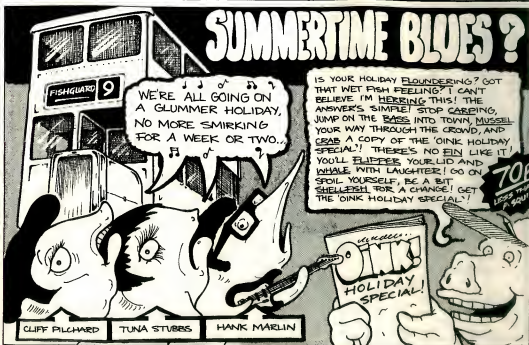

'Twas not the wings and feathers,
As people did suppose,
That gave the beast the gift of flight
As through the air he rose.

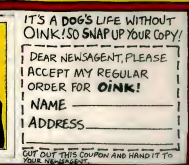

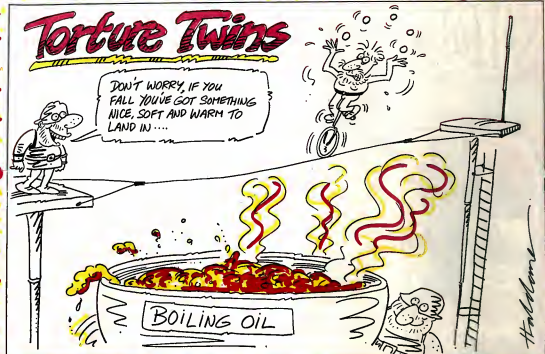

A secret kept for many years,
And now at last I tell,
Why the air around the flying pig
Contained a noxious smell.

For it was clear, for all to see,
If you observed his rump,
'Twas not some magic that helped him fly,
But the blast of a massive trump!

5: Amerikan cop showes

In Amerikan cop showes, peepul are orlways saying "Goddamitsucker", "Freezecreeps" and "Letsgeddahelladahere" whitch is why I think they shud hav subtitles, cos yoo can't understand wot they're on about.

It is gud wen they hav ecksiting gun-battels and a car-chase, but the trubble is that it's the same car-chase every week. They crash through the sayme pile of cardboard boxes and nock over the sayme froot-stall everry episowde. The blowke hoo owns the froot-stall must be fed up bi now.

The detectivs in the showes are verrie clevar. They can solv crymes withowt finding anny doos. Just bi lukking at a dedd boddie, they figger owt wot the killar lukks lyke, his nayme and address, and wot colour underpants hee's wearing. I'm gud at guesing, also [e.g. I can useerlie figger owt wot's going to hapen neckst in these programmes], so maybe I will growe up to be a detectiv miself.
